

MORRIS NURSERY

1837 Patterson Rd. Riverbank, CA 95367
(209) 527-5553

Morris Nursery is proud to supply DELTA BLUEGRASS PREMIUM SOD

Standard Varieties | 65¢ per square foot

Bolero – 100% Dwarf Fescue. Very heat and wear tolerant. Deep green color.

Bolero Plus – Dwarf Fescue with 5% Bluegrass assures a thicker, more uniform growth

Bluegrass – 100% bluegrass, Dark blue-green color and soft texture

Premium 90/10 – 90% tall fescue and 10% bluegrass. Our toughest for high traffic areas

Premium Blue Rye – Lower mowing height and better disease resistance than pure bluegrass.

Premium Varieties

Special Shade Blend – 69¢/ft² - Will excel in areas with up to 40% shade. Excellent wear tolerance.

Tifway hybrid Bermuda – 69¢/ft² - Great for athletic fields in full sun. Tolerates mowing as short as ½”

Celebration or Princess Bermuda – 79¢/ft² - These are improved seeded varieties

Specialty Blends

Mow Free – 99¢/ft² - Will tolerate up to 50% shade. Can be mowed or left for a meadow like appearance.

Native Mow Free, Native Bentgrass, Biofiltration Sod, Native Heartland Sod, Native

Preservation Mix, Delta Grassland Mix – 2.19¢/ft²

Kurapia Ground Cover - \$3.49 per square foot
