KEY TO SYMBOLS

- HT Hybrid tea, the most popular roses for cutting. Usually single flowers on long stems
- GR Graniflora, long stems with flowers usually in clusters.
- FL Floribunda, shorter stems with flowers in clusters
- SHR Shrub rose , somewhat wild growing suitable for landscape use
- MINI Miniature, smaller flowers on a small plant.
- P Patented rose, newer rose that a royalty is still paid to hybridizer.
- PPAF Plant patent applied for. Brand new rose that patent is not yet approved
- N Non patent, usually older rose that patent has expired, so no more royalties.
